SEASONAL FLOWERS FOR YOUR WEDDING

www.sierraflowerfarm.com

Local. Fresh. Sustainable

As a flower farmer/florist I am admittedly a little biased in that I believe flowers grown rightfully in their season are the most stunning of all flowers!

Here is your guide to in-season flowers for the months May-December!

May

Focal Flowers

- Ranunculus
- Anemones
- Tulips

Filler Flowers

- Snapdragons
- Corn Cockle
- Ammi
- Bachelor Buttons
- Calendula
- Sweet Peas
- German Chamomile
- Iceland Poppies

Greenery

- Mint
- Sage
- Sweet Pea Vine
- Perennial greenery

At least in Northern Nevada, May is light in locally sourced greenery that is mature enough without wilting.
